Eddis Odyssey 2007

The 2007 Odyssey range of 8 touring caravans is the next step up from the Avanté and is packed with a host of improvements that give a truly impressive specification.

In 2007 all Odysseys have been made 7'6" (2286mm) wide giving you plenty of space and superb value for money.

Odyssey also sees the addition of the new single axle 544 rear fixed bed layout complete with a spacious separate shower cubicle.

Odyssey – Exterior Styling

New Eddis family graphics and vehicle decals along with the stunning Seitz privacy side and rear windows give the Odyssey a look that will make your neighbours green with envy.

The Seitz windows not only look fantastic, they also offer a host of benefits including privacy from the neighbours, a cooler caravan interior and additional protection from the sunlight for upholstery and curtain fabrics.

The Odyssey also comes with heavy-duty corner steadies and an exterior access door with 230v output socket as standard.

As with the Avanté the front gas locker has been modified to take the new BP Light gas bottle as well as traditional steel cylinders and at the rear of the caravan is a highly reflective rear visibility panel to aid nighttime safety whilst towing.

Odyssey - Interior Living Space

A choice of two very different upholsteries gives you the option to select the perfect interior to suit your chosen layout.

Solid wood decorative locker doors and Montreal Maple internal veneered furniture and wallboards give the Odyssey a high-price look without breaking the bank.

The front chest of drawers conceals the slide out occasional table and as with all Elddis models is easily removed to form a u-shaped lounge using the optional infill seat base and backrest cushions (parallel lounge models only).

The 'So Comfortable' domestic quality pocket sprung mattress is new to Odyssey for 2007.

The main entrance door has a handy magazine pouch and also benefits from a Horrex full door fly screen. This is un-tensioned with no spring back and slides easily from any point.

The Kitchen

The new Spinflo 3 burner hob with large high-speed multi-function burner accommodates larger saucepans and even woks. Add to this the Prima Mark3 oven and a 550w microwave oven and cooking on site is as easy as at home.

The Argent stainless steel linen effect sink comes complete with a chopping board and removable drainer that store neatly on top of the bespoke silver washing up bowl.

The space saving sink frees up more work surface making meal preparation even easier.

All worktops and occasional tabletops are finished with decorative laminate.

A manufacturing tolerance has been added to **Mass in Running Order** before calculating the **Maximum User Payload**. **Maximum User Payload** includes **Essential Habitation Equipment**, Personal Effects and Optional Equipment.

Note 1: Please take care to ensure that you have allowed for the masses of all items you intend to carry in the caravan.
Note 2: Warning under no circumstances must the Technical Permissible Laden Mass of the caravan be exceeded.
Note 3: All data is calculated using metric weights and measurements. The imperial figures quoted are conversions thereof.

Odyssey – Model Specific Improvements for 2007

- Separate shower cubicle and improved toilet position in 484 & 534.
- External storage locker on 482, 524 & 524L models.
- 2nd Heki in 505 models + pleated blinds.
- Feature end panel in 540 washrooms.
